Builder

Star currently has a full-time and several part-time and full-time temporary builder positions available in our production department. Star specializes in the design, manufacturing and implementation of strategic tradeshow, retail, corporate interior and live event marketing solutions for an array of Fortune 1000 clients.

These positions are entry to mid-level and require a minimum of one year of hands-on building and cabinetmaking experience. The ideal candidate will have direct experience in tradeshow and retail build outs and possess a vocational degree in cabinet making/woodworking. If you are a retired cabinetmaker looking for a friendly open shop to spend some time in, our part-time position could be the perfect job for you.

Qualified applicants are required to read blueprints, have experience using a variety of power tools, and have the ability to work independently through instructions/directions. All positions will be working with a designated lead builder and project engineer to attain desired results. Additionally, individuals will be refurbishing exhibit components, maintaining equipment, and providing and maintaining a clean and safe work environment. These positions may assist in set-ups and dismantles on occasion.

Star offers a flexible work schedule & friendly work environment. To apply, send a resume including salary history, and specify work preference (i.e., full-time, part-time, or full-time temporary) to hr@engagestar.com or Human Resources, Star, 6688 93rd Avenue North, Minneapolis, MN 55445.
