

Crate Builder

At STAR, we specialize in the custom design and manufacturing of physical experiences. Our clients' needs range from exhibits, retail and corporate environments, and branded events. Wherever a brand lives, STAR is there to make it shine.

At this time, STAR has an open position for a Crater (*full-time non-exempt*). This position plays a critical role in ensuring that our clients' projects are safely shipped, stored and protected.

The responsibilities of this position include, but are not limited to:

- Design and engineer quality storage/shipping crates, strip crates and skids for exhibit components, retail fixtures and other products
- Ability to read blueprints and create, build and repair crates accordingly
- Experience using a variety of power tools
- Ability to work independently through instructions/directions
- Lead or assist in the set-up and dismantle of exhibit properties
- Maintain equipment
- Maintain a clean and safe work environment
- Provide accurate inventory sheets

The ideal candidate for this job will possess a collaborative spirit, a commitment to exceeding client expectations, fanatical attention to detail, and an exceptional ability to manage assigned tasks and timelines.

Qualifications:

- Minimum 1 year of hands-on building crate building experience (tradeshow and retail fixture experience preferred)
- 2 year degree in cabinet making/woodworking (preferred)
- Forklift certification preferred
- Ability to lift 75 pounds
- Willingness and ability to work beyond 40 hours per week during peak periods to ensure client needs are met

STAR offers a competitive salary and full benefits in an engaging and collaborative work environment. Qualified candidates committed to making a strong impact in a thriving organization are encouraged to submit a resume via email to hr@engagestar.com or by mail to STAR, Attn: Human Resources, 6688 93rd Avenue North, Minneapolis, MN 55445. STAR is an equal opportunity employer.
